

WE UPGRADE GAS ENGINES

SAFETY FIRST

We do know what the operator needs!

Today more and more compressor set operators call for CSA approved engine accessories. To meet the requirements, MOTORTECH has developed components which are approved and designed for harsh environments.

- AlphaRail – stainless steel ignition wiring rails
- Harnesses and junction box
- Rigid shielded primary leads
- Metal canned flange coil that will not pop off when spark plugs leaks
- PolyMot spark plug extension
- DENSO spark plug

We do know what the operator needs! MOTORTECH systems meet your expectations.
