

WE UPGRADE GAS ENGINES

FROM HEAD TO TAIL

Upgrade your critical equipment!

The new MOTORTECH Flange Coil that fulfills CSA requirements for hazardous locations. The mounting flange is welded to a steel housing and will ensure that the ignition coil does not pop off of the valve cover when combustion pressure leaks through the spark plug.

- CSA Approved for Class I, Div. 2 Group C/D
- Nickel Plated Metal housing
- Automated Manufacturing Process
- Designed and Manufactured in Germany

Set new standards for your rotating equipment.
