New Ignition Coil Conversion Kits for CUMMINS® Gas Engines QSK60G and QSV81/91G

MOTORTECH now offers ignition coil conversion kits especially developed for CUMMINS® gas engines.

- For series QSK60G (P/N 75.30.143) and QSV81/91G (P/N 75.30.144)
- Easy and fast conversion (plug & play) from existing OEM ignition coil to the latest MOTORTECH equipment.
- Cost effective solution
- For unshielded applications (non CSA)
- Ignition coil conversion kits include:
 - MOTORTECH ignition coil with specific flange and diagnostic interface
 - High quality engine specific PolyMot™ spark plug extension made from teflon
 - Adaptor flange and fastening material

Primary Lead

P/N	Description
06.30.142-14*	Primary lead with matching connector configuration for easy integration in the current engine harness

*Needs to be ordered separately.
