## Non-Shielded Ignition Upgrade Kits with MIC3 For CATERPILLAR® G3300 & G3400 Series Engines

The premanufactured Upgrade Kits are a plug & play solution with only a little mechanical and electrical work to do.

### These Kits contain

- MIC3 series electronic ignition controller with high energy output
- Wiring rails with high energy ignition coils
- Input and output harness assemblies
- High tension leads
- Mechanical conversion kit for triggering

Please refer to [www.motortech.de](http://www.motortech.de) for download of current sales flyer.
