MOTORTECH HIGH PERFORMANCE SPARK PLUGS

RUNTIME STORIES

4,000 Hours Still Running

MOTORTECH B7324 and **B7424**, 7/8-18 UNS MHP spark plugs are providing long life and improved combustion for over 4,000 hours, in **ENTERPRISE® HV16** series engines, one of the toughest engines in the pipelines for spark plug life and performance.

Integrated into an unshielded system, that includes PolyMot™ spark plug leads and an conventional ignition system, the MHP spark plugs have improved overall ignition performance, and outperformed competitive spark plugs (Champion® RW78N and RW77N) in this engine **by a factor of 2** and they are still running!
